

# AUTHORIZATION TO USE THE QUALITY LABEL

## APPROVAL for coating materials

grants an approval on the basis of the inspection report

|                                     |                                                                     |
|-------------------------------------|---------------------------------------------------------------------|
| Submitted by (testing laboratory):  | IFO – Institut für Oberflächentechnik GmbH                          |
| Coating Supplier:                   | TIGER                                                               |
| Place:                              | Negrellistrasse 36<br>4600 Wels<br>AT                               |
| Approval-No.:                       | PE-0127                                                             |
| Date of the issue of the approval:  | 01.01.2020                                                          |
| Period of validity of the approval: | 31.12.2026                                                          |
| Coating System:                     | ST2                                                                 |
| Pre-treatment:                      | Mechanical                                                          |
| Primer:                             | TIGER Drylac Serie 270                                              |
| Intermediate:                       |                                                                     |
| Topcoat:                            | TIGER Drylac Serie 68                                               |
| Topcoat UV Class:                   | UV1 + UV2                                                           |
| Topcoat approval:                   | All Qualicoat approved topcoats of this supplier of the same class. |
| Corrosivity Category:               | C4H                                                                 |

This system may be described and labelled as follows

### System tested and approved for the quality mark

and therefore offered to all companies holding the quality label for paint, lacquer and powder coatings on steel for steel based materials.
